Dear Parents and Students,

**Formal concert attire is required by all students in the Rockdale County High School Band Program.** Students will wear this attire several times throughout the school year for performances at the school, District Honor Band, and Large Group Performance Evaluation. Southeastern Performance Apparel is the official vendor for the attire.

Men's attire consists of a black tuxedo jacket and pants, white tuxedo shirt, a bowtie, black cummerbund, black calf length socks, and black shoes. **Socks and shoes are purchased separately. The total cost for the men's attire is \$102.00.**

Women's attire consists of the black *Harmonia* dress, black closed-toe flat shoes, and black hosiery. **Female students will purchase hosiery and shoes separately. The total cost for the women's attire is \$65.00. There is an additional cost of \$30.00 for sizes above 28.**

Please be aware that the attire may need alterations after you receive it. We will place the orders early enough so you can have ample time to complete alterations before the first performance. You may find the sizing charts posted on Charms in the Concert Attire Folder.

You will need to get your child measured by a tailor. The link below will take you to an online video that will assist you in taking accurate measurements.

**All students must have their measurements and money turned in on or before Friday, September 29, 2017. All checks for men's and women's attire should be made payable to RCHS Band Boosters. Students must wear this attire in order to perform at all concerts.**

One of the advantages of owning the concert attire is having the option of selling it to an underclassman at the end of your child's senior year or donating it to the band program. You may also want to consider keeping it for other occasions.

**Please contact me or the uniform committee chair with questions or concerns.**

Sincerely,
